## "BEGGAR" GEORGE COLLINS.

Judge Wadsworth Yesterday Recommended Him to Jail.

Another chapter was added to the sensational revelation brought about by the arrest of George Collins on the charge of street begging.

His trial was set for yesterday afternoon at 2 o'clock, but was 8 o'clock, after the city authorities decided what to do.

The fellow was taken into the Police Judge's private office and by him, City Attorney Wood and Chief of Police Donovan piled with questions in order to get all the information.

A statement was made by Collins, so-called, which puts a new phase on the case and in substance is as follows:

His real name, he says, is Sam Fleming two years ago and bought the magnificently furnished house in which he now resides for \$500 of Oskamp of Cincinnati. He was tried upon the charge of bigamy in Atlanta, Ga., but did not state whether or not he was found guilty.

The man is not totally blind, and is rather well appearing. In his countenance there is a certain something which by detective vision, one can plainly see the shrewd, cunning individual so plausible in speech, so deferential in manner and studied in all his methods that his vocation of deception may be veneered by gentility and rewarded through sympathy.

Judge Wadsworth recommended him to jail under \$500 bond upon the charge of knowingly receiving stolen property.

The Chief of Police is hot upon his trail, and developments will today establish his guilt or innocence.

## IT'S A SURE GO!

**Maysville Business Men Liberally Aid the Elks Fair.**

Yesterday afternoon Messrs. J. W. Fitzgerald, M. C. Russell, Charles A. Walther and Thomas A. Davis, part of the Soliciting Committee, called upon some of the leading business men for subscriptions to the Premium List of the Elks Fair, to be held in this city Saturday.

The Committee's appeal met with a hearty response, every one applied to manifesting their interest by generous subscriptions.

The sum secured in less than three hours amounted to \$2,222.50.

The amount is to be waited on, and it may stimulate them to know that not a single business house has so far refused to do its part.

It should be borne in mind, as previously stated in *The Ledger*, that the coming Fair will be conducted upon different lines from its predecessors.

To the fair grounds the grounds will not begin until 12 o'clock, thus keeping visitors "down town" all the forenoon; and if the business men on that thoroughfare will be liberal enough, there will be a Street Fair on Market street from 3 o'clock in the afternoon until the grounds and continuing until midnight. This will be an attractive novelty, and must keep many visitors in the city over night.

The Management—all of whom are active business men—will leave nothing to chance to make this the one Fair that will benefit the merchants of Maysville.

The remains of the late Leslie H. Mannen, formerly of Germantown, who died last week in Missouri, were cremated at St. Louis.

**WHEN NATURE**

Needs assistance it is best to render it promptly, but one should remember to have a supply of the remedy on hand when needed. The best and most simple way to relieve the symptoms of Zephyr is to apply the Syrup of Zephyr manufactured by the California Fig Syrup Co.

## LIGHTNING'S WORK

The College of Physicians and Surgeons, Chicago, Struck and Set on Fire.

### FINEST OF THE KIND IN THE WEST

Flames Spread Rapidly Through the Five Stories of the Building, Completely Destroying It.

**Loss Is About \$200,000—Patients in the Hospital Department Removed in a Heavy Rain to Places of Safety.**

Chicago, June 26.—During a heavy thunderstorm Tuesday night lightning struck the College of Physicians and Surgeons on Harrison Street, between Wood and Honore streets. The fire which followed the lightning in a short time destroyed the college building, which was one of the finest of its kind in the west.

The fire, which struck the college squarely on the top of a rising projection in the front part of the roof, and such a tremendous crash of thunder accompanied the flash that all the people in the neighborhood thought that an explosion had taken place. The fire, which started in the first fire engines had arrived, the flames had spread all through the five stories of the building. Adjoining the college is the smaller building of the West Side hospital, which was filled with patients about 100 being in the various wards. It was soon seen that the college had not been saved, and that its walls were liable to fall at any time, the work of removing the patients from the hospital building began.

#### Removal of Patients.

The rain was pouring heavily at the time, but fortunately there are so many hospitals and medical institutions in the neighborhood that it was necessary to take the people only a short distance, most of them being taken to the county hospital, one square distant. The removal was carried on with the utmost haste, the patients being carried forth in their beds, and the nurses and attendants anything that would permit of transportation. The firemen and the attendants at the hospital did most of the work, although hundreds of medical students living in the neighborhood and who had been attracted by the commotion, lent their assistance. None of the patients were injured.

#### NEW OHIO LINE.

**The Toledo & Southeastern Railway Co. Incorporated With a Capital Stock of \$10,000.**

Columbus, O., June 26.—The Toledo and Southeastern O. & W. Co. was incorporated Tuesday, with a \$10,000 capital stock, to build a line connecting from a point on the Ohio and Michigan boundary line in Lucas county to a point on the Ohio river in Lawrence county and passing through the counties of Lucas, Wood, Hancock, Hardin, Logan, Union, Madison, Franklin, Pickaway, Ross, Hocking, Vinton, H. P. Jenkins, and Lawrence. It is to be a steam railway between Toledo, Columbus and Ironton. The capital stock will be increased.
